

Malaysia Southern Region's Largest House & Consumer Fair

Malaysia Southern Region's largest household and consumer fair made its explosive debut at the Melaka International Trade Centre. Jointly organised by Expomal and Dunia Ekspo (Melaka) Sdn Bhd, the event was hosted by the Melaka State Government and held to coincide with Malaysia festival celebration. It showcased and offered consumer with the region's best household and consumer products/services. More than 600 booths were there to promote home grown and international daily use products ranging from household products, food and beverages, electronics and electrical to general goods.
